sogood™

Informacije o nutritivnim vrijednostima su u potpunosti točne. One se zasnivaju na studijama u ime KFC-a, u odobrenom laboratoriju, ili se u nekim slučajevima mogu zasnivati na kalkulacijama dobivenima iz posebno dizajniranih softvera. Neki proizvodi nisu prikazani u ovoj tablici jer spadaju u sezonske ili promotivne proizvode. Budući da KFC restorani koriste svježe namirnice, moguća je minimalna nedosljednost u sastavu nutritivnih vrijednosti u tablici uslijed sezonskih promjena. KFC također zadržava pravo na promjenu recepata, što može prouzročiti određene promjene u nutritivnim vrijednostima. U KFC-u se proizvodi pripremaju u restoranu što može utjecati na veličinu serviranja i ta razlika može utjecati na vrijednosti prikazane u ovoj tablici. GDA je promjenjiv i može varirati u odnosu na godine, spol, životne navike i sl. Osnova je uzeta kao za odrasle. Informacije predstavljene ovdje odgovaraju onima koje su puštene u javnost u rujnu 2013. godine.
